

Elliott Animation is hiring in Toronto!

2D Scene Planning Layout Artist

Fresh TV and Elliott Animation, a Toronto-based artist-driven entertainment company, is looking for a 2D Scene planning artist to join the team of a world-class animated television series.

As a 2D Scene Planning artist, you will be responsible for reading and understanding storyboards, and translating them into well composed scene files for animation. While building scenes within the established template, you will have the opportunity to problem solve any foreseeable continuity and staging issues, allowing for a seamless flow between shots. You will also be responsible for ensuring the correct backgrounds, props, and poses are properly imported to scene files and are easily accessible for a seamless transition to downstream departments.

Start Date:

July 2021 Start through to March 2023

Responsibilities:

- Building clean, animation ready files
- Understanding storyboards, with the ability to translate the storyboard into a well composed scene
- Ensuring continuity between shots - both in file content and composition

- Working closely with the team to follow the established workflow and ensure a smooth transition of inventory
- Ensuring all necessary elements are contained and functioning properly in the file
- Completing scene assignments and revisions in a timely manner

Qualifications:

- Strong understanding of staging, blocking, composition and design
- Appreciation for accuracy and attention to detail
- Ability to deliver work on a set schedule
- Excellent communication, organizational and problem-solving skills
- Ability to take direction, and work both independently and as part of a team
- Strong understanding of animation principles, timing and camera mechanics
- Flash experience is an asset

Please email your resume to Wren & Suzy at the email below with the position in the subject heading and include your availability.
